UNION HEALTH - AN INTEGRATED HEALTH PLAN

Union Health — An Integrated Health Plan's *unique* service model *best serves* its clients.

Union Health—An Integrated Health Plan is a partnership between the area's leading healthcare organization, Union Health, and SIHO Insurance Services. This partnership will provide locally-based enhanced wellness and quality management programs to area employers and their members, while also providing a best in class customer experience.

BEST IN CLASS EXPERIENCE

MEMBER SUPPORT

Member Services: Our Member Services team is dedicated to providing assistance to members. Our team has the training and resources to help each member navigate through their healthcare experience.

Wellness & Health Coaching: We offer tools and services like: health risk assessments, biometric screenings, and ongoing coaching, wellness initiatives, and online resources to support the health and wellness of employees.

Disease & Case Management: Members that need assistance managing chronic or acute conditions will have the opportunity to work directly with a nurse throughout their health journey. Programs will also be provided to employers specific to the conditions prevalent within their member population.

EMPLOYER SUPPORT

Account Executive

Each client is guided by the Account Executive through all stages of benefit plan implementation and beyond. Account Executives offer their expertise to the client to ensure that administration of the health plan operates efficiently.

Employer Services

The Employer Services Department partners with Account Executives and is a dedicated resource for brokers and employer Human Resources departments regarding day-to-day questions on items such as benefit education, claim inquiries, eligibility, and billing.

Wellness Initiatives

Each employer group will have robust wellness initiatives available to them. This includes wellness screenings, utilization review, disease and case management. Our dedicated team of nurses will work with you and your Account Executive to ensure an optimal program is provided to members.
